

Introducing the New...

XBACK EDGE OA Unloader

- › *Lightweight*
 - › *Superior Quality*
 - › *Comfortable*
 - › *Easy to Use*
- › *L1843/L1851 Suggested*

The Edge OA Unloader is a single upright, soft OA. It has a unique air bladder that not only unloads the joint but prevents brace migration. Medial and Lateral OA options are available.

K201 Edge OA Unloader Sizing Chart	
SM/MD	18.5-23
LG/XL	22.5-28.5
2X/3X	27.5-32.5
